◆ OUR PROMISE

Refresh. Renew. Revive.

Your laundry, our passion, delivered at industrial scale
and finished to hospitality standards.

A leading commercial laundry partner in Malaysia

Arifa Laundry (M) Sdn Bhd delivers high quality commercial laundry for hotels, restaurants, and large organizations. Backed by the latest machinery and process technology, we provide faster turnaround, consistent quality, and dependable support that scales with our clients.

100kg

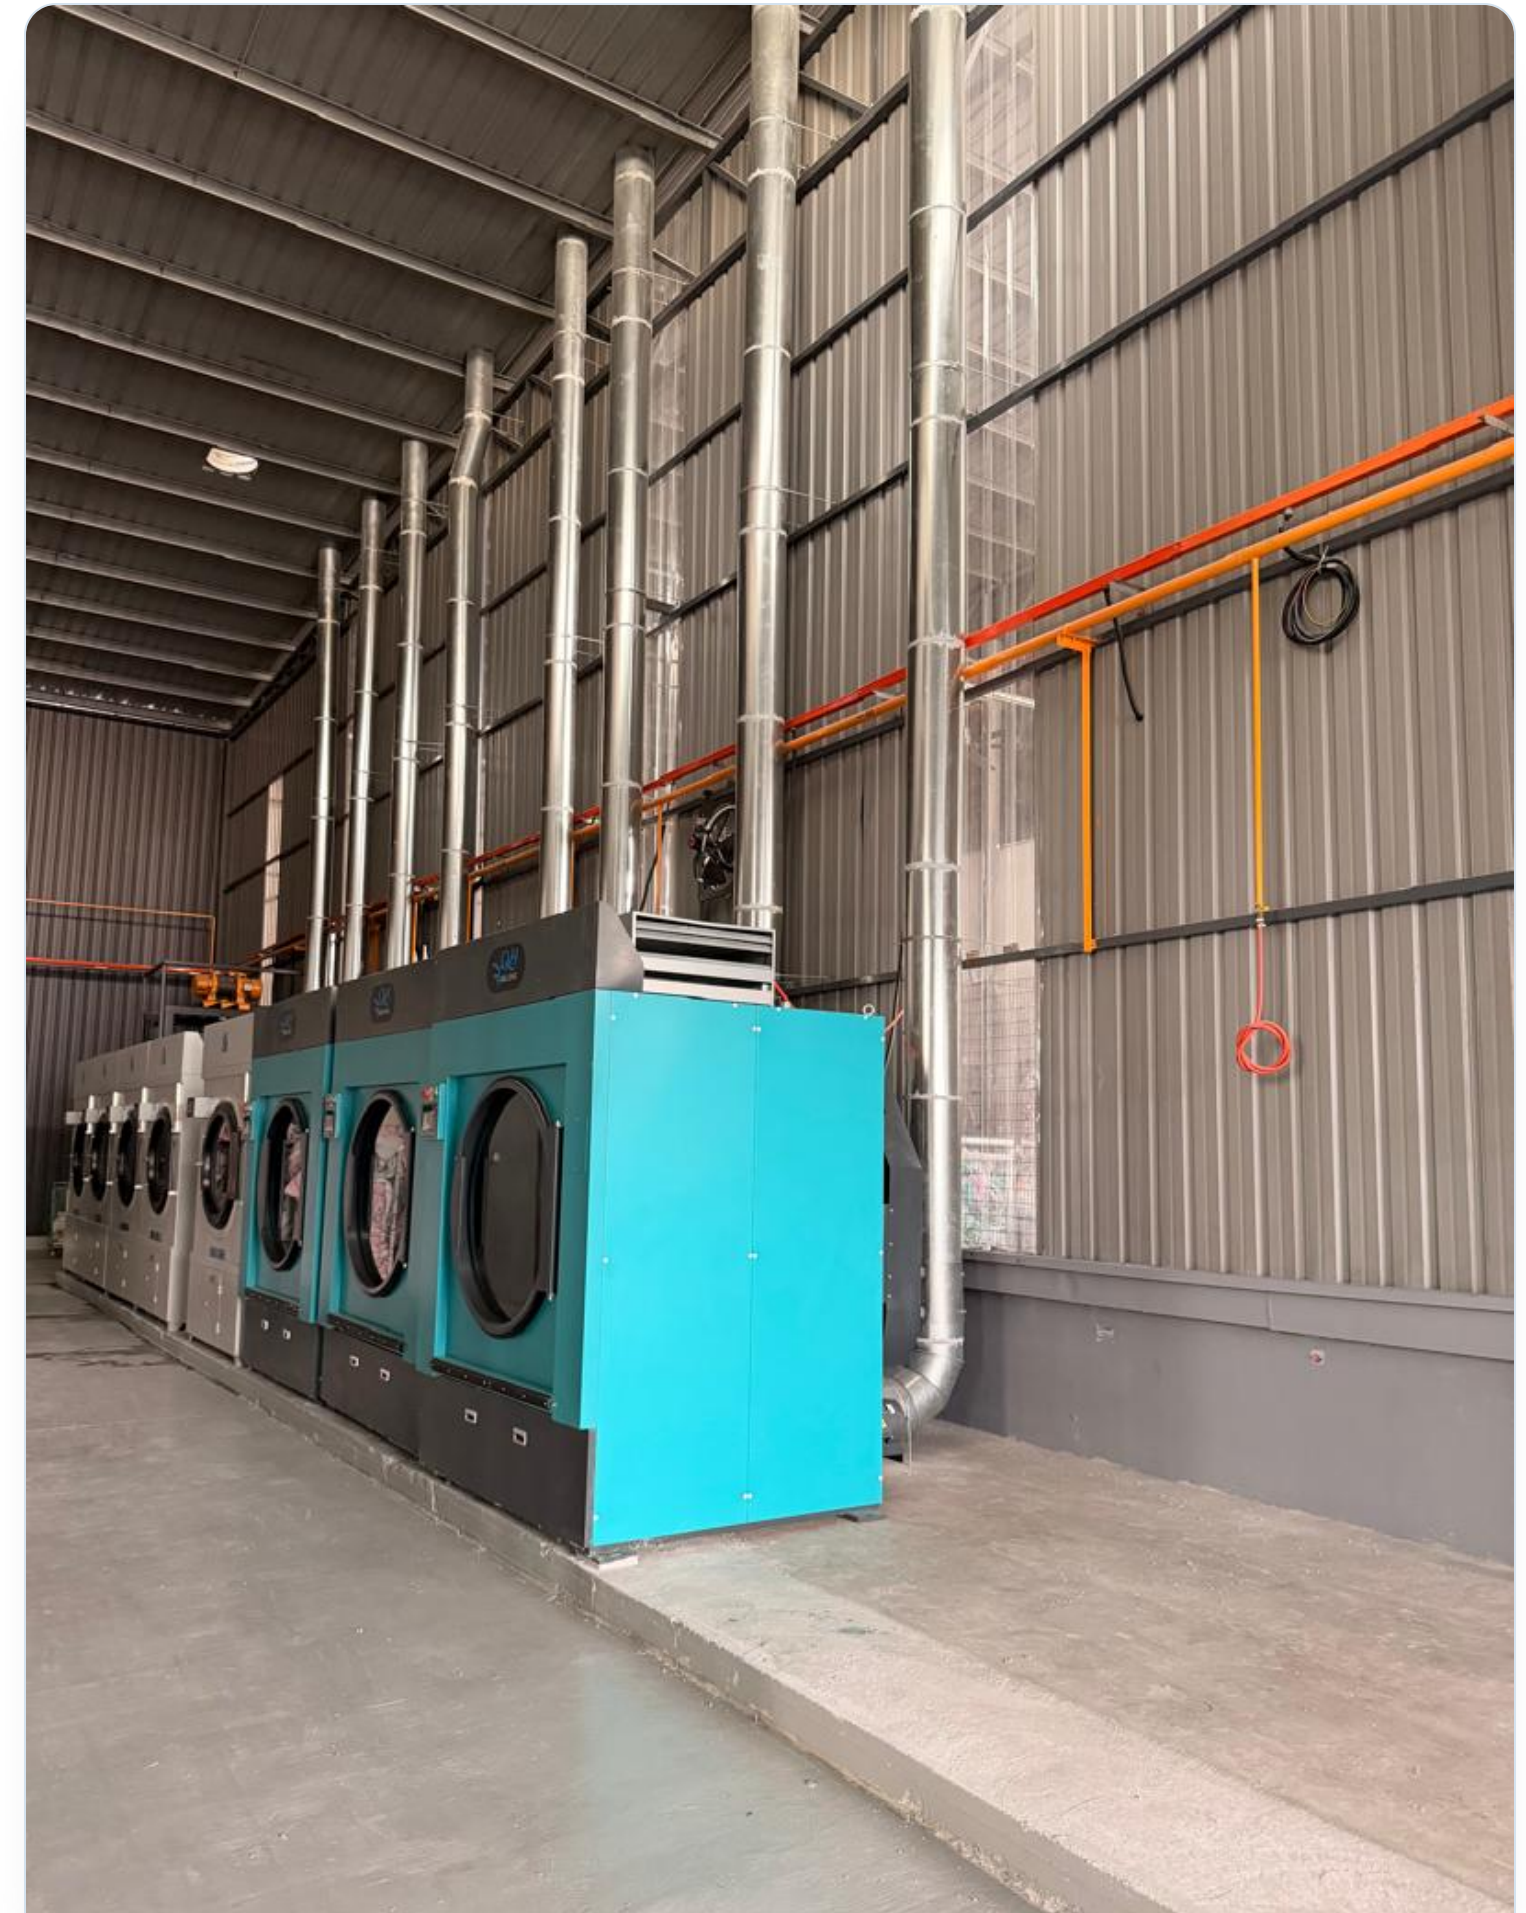

Per wash and dry load

25 tons

Per day washing capacity

24/7

Operational readiness

01

Vision

To be the foremost provider of premium laundry services in Malaysia, recognised for exceptional quality, technological expertise, and a genuinely customer centric approach.

02

Mission

To deliver superior quality laundry through innovation, customer satisfaction, sustainable practices, employee empowerment, and active community engagement.

A five step partnership model

A responsive, outsourced laundry partner that tailors every solution to the client in front of us.

01

Discovery

We map your goals, needs, and resources to tailor our services.

02

Design

We structure a program around your operation's unique characteristics.

03

Implementation

We apply the right measures and strategies for efficient delivery.

04

Service

A customer centric approach keeps your satisfaction the priority.

05

Monitoring

We review and refine processes to continually exceed expectations.

The advantages of outsourcing

01

Operational Advantages

Streamlined processes that cut cost and downtime.

02

Operating Experience

Deep know how across hospitality and healthcare.

03

Support Services

End to end logistics with on time collection and return.

04

Consistent Staffing

Dependable manpower with no service gaps.

05

Low Admin Burden

We handle the complexity, so you stay focused.

One reliable outsourced partner.

Our roadmap, 2023 to 2026

2023

Strategic Partnerships

Building partnerships with hotels, restaurants, and organizations across major commercial hubs.

2024

Technology & Automation

Adopting automation for faster turnaround without compromising on quality.

2025

Sustainability

Water and energy conservation, green detergents, and waste reduction across operations.

2026

Quality & Certification

Pursuing recognised hygiene and quality certifications to give partners even greater assurance.

Comprehensive laundry solutions

Industrial Laundry

Powering your business with clean efficiency at scale.

Hotel & Hospitality

Crisp, spotless linens and towels that elevate the guest experience.

Hospital Laundry

Hygiene first processing with the utmost dedication to cleanliness.

Dry Cleaning

Specialist care for delicate fabrics, fresh and ready to wear.

Two commitments guide us

01

Customer Satisfaction

Delivering top quality laundry services that consistently exceed client expectations.

02

Sustainable Practices

Adopting eco friendly initiatives that minimize our environmental impact.
